

PTO is offering a holiday gift giving option again this year for our dedicated teachers and staff. Parents and students are invited to make a monetary donation to a fund that is divided among the teachers and administration of our school, instead of purchasing individual Christmas gifts. The staff has been *very* appreciative of the gift in past years. Many parents appreciate the convenience when considering purchasing several teachers' gifts.

This is strictly a voluntary donation intended to replace the holiday gifts for teachers and staff. Families may donate any amount they wish. Donations are held in strict confidence and no records are maintained.

Money collected from students and parents is divided among teachers and administrators. The PTO also supplements each teacher and administrator gift. Additionally, the PTO provides a monetary gift for the kitchen and maintenance staff on behalf of the students and parents of the school.
