

About OLP

Our Lady of the Presentation Catholic School educates Kindergarten through Eighth Grade students by inspiring spiritual growth and academic excellence in Lee's Summit and surrounding communities.

OLP was awarded the National Blue Ribbon School Award in 2014 as an Exemplary High Performing School. Only 50 private schools were recognized by the Department of Education for this achievement.

We not only strive for academic achievements but developing the whole child. We instill faith-based values and giving to others in our students. Each year every grade adopts a charity and gives their time, talents, and treasure to these causes. In these efforts the Lee's Summit's Chamber of Commerce also recognized OLP as Business of the Year in 2014 in the Magnus Category.

Please support our mission of educating children to become independent and serve a world in need. Your generosity will make a difference in the lives of our children and community. We cannot do it without your support.
