**INVOICING INFORMATION: Invoices are emailed monthly and are due upon receipt.**

**FreshBooks** - Invoices are sent through a billing platform called FreshBooks. New families will be sent an email link to establish access to a portal account. Keep your username and password in a secure place. Through this portal, you can access account information at any time. Account information shows invoices, payments and account balance. This information can be printed for use with your tax documentation for child care deductions. Existing families should already be familiar with the FreshBooks portal. If you have forgotten your password, please send an email to [ACED@olpls.org](mailto:ACED@olpls.org) and we will re-send a link to your portal account.

- **Full-time students** are invoiced at the beginning of each month for care to be provided that month (i.e., an invoice will be sent at the beginning of September for September care).
- **Part-time students** are invoiced at the beginning of each month for care provided during the previous month, (i.e., an invoice will be sent at the beginning of October for care provided during September).

**Overdue payments will result in report cards being held until the account is paid in full.**

**DISCIPLINE AND DISCHARGE:**

You child is entitled to a pleasant and harmonious environment. The ACED Program cannot serve children who display chronically disruptive behavior. The administrative team retains the right to modify these procedures and take whatever disciplinary action is deemed appropriate on a case-by-case basis. Chronically disruptive behavior is defined as verbal or physical activity, which may include, but is not limited to, behavior that: requires constant attention from the staff; inflicts physical or emotional harm on other children; abuses the staff (physically and/or verbally); ignores and disobeys the rules which guide behavior during the school day and during the program time. If a child cannot adjust to the program setting and behave appropriately, the child may be discharged. Reasonable efforts will be made to assist children to adjust to the program setting. Disruptive behavior will be dealt with in the following manner:

1. If a child misbehaves, he/she will be given a five minute time out, in order to cool off and think about their actions.
2. If a second time out is given in the same day, a Discipline Form will be written by the caregiver. This form will be given to the parent/guardian to read and sign. The report will be returned to the caregiver to remain in the child's ACED file.
3. If a child has received three written Discipline Forms, the child will be suspended beginning the next school day and will last for one school week. PARENTS WIL STILL BE RESPONSIBLE FOR PAYMENT DURING THE WEEK OF SUSPENSION.
4. If, after reinstatement, a fourth behavior-related Discipline Form is given, the supervisor may expel the child immediately, without the right of reinstatement.
5. Any behavior, regardless of prior incidents, that endangers other children in the program, may result in immediate expulsion from the program without the right of reinstatement.
