

## **Makeup Policy for Computer/Media class**

**If a student misses class because of an absence or appointment, the student is required to speak with Mrs. Drake about the missing assignment. Students will be given until the next class period (1 week) to finish the assignment. If the assignment is not turned in at that time, the student will receive a 0.**

**Assignments will either be an exact makeup of what was missed, depending on the assignment or it will be a research assignment of some kind. Students are expected to follow up with Mrs. Drake and turn in the assignment in the allotted time.**
