### **Wild and Free**

### **WILD AND FREE - JUNE 11-15 \* 8:30am - 4pm daily \$200**

It's time for the great outdoors! Campers will experience nature's most inspiring phenomena through a variety of activities and adventures. There will be scavenger hunts, field trips to fascinating places, plant collections and the use of our senses as we garden, harvest and even share the fruits of our labor with the community around us

### **FUTURE LEADERS - JUNE 18-22 \* 8:30am - 4pm daily \$200**

Our Caring Leaders camp will take a spin into the future this year as we empower students how to responsibly use current and future technology in order to relate to and impact all types of people. Students will explore the new possibilities of storytelling through media, the power of listening, the beauty of different cultures and the joy of serving those in need as they prepare to traverse the exponentially changing world of the 21st century.

### **DECADE ESCAPADE - JUNE 25-29 \* 8:30am - 4pm daily \$200**

Ready to travel through time? This week's campers will celebrate the best traditions of the past century - one decade per day - by dressing up, learning the most popular music and dance, meeting (and impersonating) the legends and reliving the best of each decade.

### **SONGWRITING - JULY 9-13 \* 8:30am - 4pm daily \$200**

Musicians, lyricists, poets, and performers of all ages, together with local songwriters, will assemble with one common goal: to write beautiful music. Campers will analyze songs—from classic to contemporary, familiar to obscure, Beethoven to Beatles—and find out what compels us to sing along. Then, students will collaboratively write and independently write original music to share in our talent showcase at the end of the week.

### **PERFORMING ARTS SUMMER CAMP - JULY 16-28 8:30am - 4pm daily \$325**

Are your kids filled with dramatic flair? Do they like to sing, dance or act? Bright Lights' Performing Arts Summer Camp will channel students' theatrical energy while building their confidence. Campers will learn skills (acting, singing, set building, and costume creation, etc...) so they can assemble an amazing performance in only two weeks! ***Please note there will be a Friday night and two Saturday performances.***
