

- Accelerated Reader Enterprise— Diagnostic tool to help students choose books at their reading level. At the beginning of the year and then 2-3 other times throughout the year, students are given the STAR Reading test. This test is vocabulary based and then using a formula, it creates a Grade Equivalent level and “Zone of Proximal Development”. Teachers use that information along with other information from Success Maker, to decide what “dot” color students should be looking for when choosing a book.
