

2017-2018 Archery Team Info

- All communication will be sent through TeamSnap (email and text). Please enable your cells to accept text message (after a TeamSnap invite has been sent) to be used for immediate communication.
 - > Tournaments occur on Saturdays generally from 0800-1600
 - > There are deadlines for signing up for tournaments so please make sure to make note of them
 - > If you cannot make a tournament that you are signed up for, please let us know ASAP. I am not able to drop archers within 2 days of the tournament and the expectation is that the tournament fee will need to be paid regardless of attending
 - > Cost for tournaments are usually \$10 per archer (due in cash on day of tournament)
 - > Each archer must attend at least 2 tournaments. We really need a high attendance so that we can get our best showing to qualify for State
 - > If a team makes it to State and your archer is on that team, you need guarantee that they will attend Nationals
- Due to the overwhelming growth of our program, we have outgrown the flexibility to provide everyone with their desired flight times for each tournament
 - > Every effort will be made to honor requests
 - > If you are unable to shoot at the time assigned, you may find someone to trade with and just inform them at time of check in
 - > If you trade, you MUST let me know prior to the tournament day
 - > An email will with a Sign-up will be sent out with tournament dates
