

**Our Lady of the Presentation**  
**POLICY REGARDING SMART WATCHES**  
Addendum to School Policy V.d  
Addendum to AUP Policy  
**2017-18**

Our Lady of the Presentation will not be allowing the use of personal smart watches and other similar devices. This is in order to promote effective teaching and learning and to create an appropriate environment in the school during lessons, lunchtime, and before and after school. The smart watch policy will follow the same rules as our cell phone policy.

A smart watch is defined as a touchscreen display designed to be worn on the wrist that can do any of the following:

- Take pictures
- Access the internet
- Send/receive text messages

**Consequences of Inappropriate Behavior**

Any student who fails to comply with the smart watch policy will have the device confiscated and kept in a safe place by the school until appropriate arrangements can be made for the collection of the device/smart watch. Students who have repeated or severe infractions of the policy will be subject to disciplinary action by the OLP Administration.

**Activity trackers and simple watches (analog and digital) are allowed.**
