

OLP's Weekly Update

SCHOOL BUSINESS

CAPITAL CAMPAIGN: The Parish Capital Campaign is nearing the end. To date, over \$3 million has been raised, but your help is needed to reach the goal. Many wonderful school enhancements are planned pending the campaign's success.

If you have not made your pledge, please prayerfully consider how you can help and [complete the online pledge card](#) today. Every gift will make a significant impact on the future of Presentation. Watch this [video message from Father Tom](#) and get a sneak peek of some of the exciting possibilities.

MISSION TO MARS: Monday, November 26, NASA will land its InSight Lander on Mars, the first landing there in more than six years. Students will take part in special activities and watch the Live broadcast on Monday marking this exciting occasion in space. Students may wear OLP Spirit shirts or science themed shirts with dress down bottoms. Cookie treats (as well as gluten-free) will be provided.
