XTREME OLP AFTERNOON: Mark your calendars! **Friday, April 27** is a half day - No ACED. If you plan to help with the auction set up at SMA, this is your childcare solution! All OLP students are welcome to attend this afternoon of fun at Xtreme Fitness and Gymnastics; 12:30-3:00 p.m. The cost is \$10 per child, and Xtreme will donate almost half of the money back to our school! This event is being sponsored by the Catholicity Committee and will be used to fund retreats and other religious events for students. Return the [sign-up form](#) and [waiver](#) to reserve your spot.

SCHOOL ADVISORY BOARD: Our Lady of the Presentation's School Advisory Board is currently seeking individuals to serve as members of the 2018-2019 School Advisory Board (SAB). The purpose of the OLP SAB is to provide guidance and assistance and to make recommendations to the Pastor, Pastoral Administrator and/or Principal in the governance of the School. The Board fulfills its purpose and exercises its functions in advancing the mission and goals of Our Lady of the Presentation School and Parish under the guidance of the Catholic Diocese of Kansas City - St. Joseph. The SAB functions in an advisory capacity and does not set policy.

Parents with any background are welcome. The Board is seeking additional expertise in the areas of marketing and technology. Members of the Board serve a three year term. Additional information and the application can be found online on the [OLP SAB Webpage](#). **The deadline for applications is April 27.**

TIPS PROGRAM INFO NIGHT – MAY 1: Don't miss the opportunity to learn about the new Tips online reporting program OLP will be implementing. Ms. Pierson will be providing an overview of the program that will aid students and parents in reporting school related concerns. This will include how to submit a report, what can be reported, and what steps will be taken once a report has been submitted. The presentation will begin around 6:45 p.m. following the monthly PTO meeting. The Tip's online platform was put in place to help empower students and parents to have their voices heard and concerns addressed while staying anonymous. This will be particularly helpful for students who are afraid to speak up about what they are witnessing at school. Please join us to learn more about Tips and how it will benefit our school community.
