

Which ACED plan should you choose*? Please take time to consider how much time your child(ren) will need to spend with the ACED Program. Your choices include:

- **Part-Time Flexible Plan**, based on actual attendance at the rate of \$5/hour (rounded up to the next quarter-hour). This can be used as a drop-in plan, without advance notice.
- **Full-Time Plan**, at \$250 per month. Half Days are included, but Full Days are charged at the part-time rate. Siblings receive a 20% discount on the monthly fee.
- **Full-Time PLUS Plan**, at \$280 per month. This rate is all-inclusive. Siblings receive a 20% discount on the monthly fee.

The ACED program is available as follows:

- **Regular School Days** – 6:30 a.m. – 7:30 a.m., and 3:15 p.m. – 6:00 p.m. *This is a total of 3.75 hours on ACED Regular Days.*
- **Most Noon Dismissal Days** – 6:30 a.m. – 7:30 a.m., and Noon – 6:00 p.m. *This is a total of 7 hours on ACED Half Days.*
- **Most NO SCHOOL DAYS, except extended breaks** – 6:30 a.m. – 6:00 p.m. *This is a total of 12.5 hours on ACED Full Days.*

COST COMPARISON:

The Full Time Plan (\$250/month 1st child, \$200/month siblings) is the equivalent of about 50 hours of care per month for one child, and is an additional savings for siblings. If your child attends every day, that **averages out to about 2.5 hours per day at the part-time rate of \$5/hour**. The plan includes ACED Half Days, which would be an additional savings. However, it does not include ACED Full Days. Therefore, if your child attends ACED on a Full Day, you would incur additional hourly charges for that day.

The Full Time PLUS Plan (\$280/month 1st child, \$224/month siblings) is the equivalent of about 56 hours of care per month for one child, and is an additional savings for siblings. If your child attends every day, that **averages out to about 2.8 hours per day at the part-time rate of \$5/hour**. **Note that this plan is all-inclusive. No additional hourly charges would be incurred for Half or Full days, which is an additional savings.**
