

Parenting the Love and Logic Way

For parents with children ages 11-17

Find us online!

When parenting youth, the focus is often on the early years. However; as youth transition through adolescents to adulthood their parental needs change. Wise parents learn how to adapt their parenting approach to guide their teens toward a successful future. Join other parents of teens and learn the following and much more.

- | | |
|--|-------------------------------------|
| How to maintain a positive relationship | Communication strategies that work |
| How brain development impacts behavior | How to set limits you can enforce |
| How to help your teen handle peer pressure | How to reduce your parenting stress |

Parenting the Love and Logic Way (A special offering for parents of youth 11 to 18 years of age)
